

JEREMY Maddocks

PARLIAMENTARY CANDIDATE

MITCHAM AND MORDEN

My name is Jeremy Maddocks and I have fought for Brexit for 30 years. I live and work in South London in the technology industry. Politicians have taken us for granted for too long.

We need to send a clear message that we want a clean break Brexit now.

I will fight to stop knife crime and burglary in the local area which is out of control

I will fight for St Helier Hospital and our NHS

I will fight for housing for local people

I AM READY

-  **Send a message to politicians that democracy matters**
-  **Deliver a Clean-Break Brexit**
-  **Stop knife crime and burglary in Mitcham & Morden**
-  **Protect St Helier Hospital and our NHS**
-  **Build local housing for local people**
