

Dear Voter,

My name is Jeremy Maddocks and I have fought for Brexit for 30 years. I live and work in South London in the technology industry. Politicians have taken us for granted for too long.

We need to send a clear message that we want a clean break Brexit now.

I will fight to stop knife crime and burglary in the local area which is out of control.

I will fight for St Helier Hospital and our NHS.

I will fight for housing for local people.

If you voted for Brexit or you voted remain and believe in democracy then join me - the only candidate who respects the democratic vote of the people.

From your
Parliamentary Candidate:

Jeremy Maddocks

**WE ARE
READY**
