My Priorities for Mitcham and Morden

INVESTING IN OUR LOCAL NHS SERVICES

St Helier faces a bright and secure future, with the Conservatives spending millions on improving the hospital. I will continue to fight for more investment in our local NHS services.

FIGHTING CRIME IN MITCHAM AND MORDEN

The Prime Minister has announced funding for 1300 more police officers in London. I will ensure that Mitcham and Morden gets its fair share of these new officers.

UPGRADING OUR TRANSPORT NETWORK

I use the Northern Line every day, and I know how the rush hour commute can be a nightmare. With the Northern Line operating during busy periods at 130 percent capacity, I will campaign for additional trains and a more frequent service, and against any cuts to bus services.
